## Flute Console Table

A stunning console table luxury design, and unique sculptural style. With bronze frame and stone top. Handmade to your specifications.

Beautiful gold tapered legs with a black stone surface.

The flute draws its inspiration from swords and scabbards and sickles.

Each leg is unique giving an assymetric form underneath the table.

It has a hammered steel frame, sprayed with a hot bronze metal, and finished with a burnished gold paint effect hand-painted to achieve the mottled look.

Available in bespoke sizes with a choice of finishes and tops.
